SECTION 5 Behavior, Zero Tolerance Policy, and Appeals

1. The goal of the Hammonton Youth Soccer Association (HYSA) Recreational League is to provide a fun recreational soccer environment for children. We seek to develop soccer players... not only in terms of their soccer skills, but also in terms of their self-esteem and self-confidence. Players should learn to be competitive and try hard, and learn to win and lose with good sportsmanship.
2. Spectators are invited to attend games to help promote the goals of the Recreational League and the development of its players. To ensure that the League's goals are met, we have established this Code of Conduct for all parents and spectators:
3. Location of Spectators: At all games spectators are to stand back at least 3 feet from the sideline. This will give the players room to play the sidelines and make throw-ins, and allow everyone to see. No one (spectators or coaches) may stand behind either goal line or along the sideline next to the penalty area. Spectators should remain on the opposite side of the field from the coaches and players, and should never enter the field of play unless asked.
4. Spectators May Not Coach: Spectators may not provide direction or instructions to any player... this is the job of the coach and assistant coach. This includes providing direction to your own child. Positive cheering and encouragement are fine.
5. Spectators Must Not Criticize: Spectators may not criticize any players or coaches, either on their team or the other team, or the referees. Only positive comments are permitted. If a parent has an issue with their child's coach, the issue should be brought to the attention of a HYSA Board Member in a setting away from the field

in a private manner. Similarly, if they have an issue with a referee, they can provide feedback to the coach after the game. Team coaches have methods to provide feedback to each associated League concerning referee issues.

6. How Parents Can Help: Please help your coach by arriving on time with your child dressed in uniform, with shin guards and appropriate footwear. Make sure your child has a water bottle, especially on hot or humid days. Make sure your child removes any fashion accessories (earrings, barrettes, watches, etc.) which could injure your child or another player. Make sure your child attends practice where he/she will have a chance to learn. Please cheer for everyone.
7. Redefine “Winning”: Redefine what it means to be a “Winner” in your conversations with players and other fans. Winners are people who make maximum effort, continue to learn and improve, and do not let mistakes, or fear of making mistakes, stop them from playing and enjoying the game. Learning from mistakes is part of the game. Also, remember that all children are born with different abilities and develop at different rates. The true measure of how a child is doing is not in comparison to others but rather in comparison to his/her prior best. Do not judge the success of a game solely by whether your child’s team wins. Our goal in the Recreational League is to create balanced teams so that each team experiences both winning and losing.
8. The Center Referee is in Charge: SPECTATORS MAY NOT DISAGREE WITH, QUESTION OR CRITICIZE THE REFEREE. THIS RULE APPLIES EVEN IF THE REFEREE MAKES A MISTAKE. Every year we lose many referees because they do not like the abusive treatment that they receive from spectators during the season. Referees do make mistakes and your coach has a method for providing feedback to the League after the game if the referee needs constructive criticism. The coach or spectators may not object to a referee’s call or judgment on the field either before, during or after the game. The coach or spectators may not question a referee at any time. Due to the shortage of referees, sometimes an experienced HYSA Board Member will act as referee, and is entitled to the same respect.

9. No alcoholic beverages of any kind are allowed at youth sporting events.

10. Support the League's efforts to remove verbal and physical abuse from youth sporting activities.

To help prevent physical assault and verbal abuse in the leagues and clubs within the Hammonton Youth Soccer Association (HYSA); HYSA has adopted a ZERO TOLERANCE POLICY. This policy applies to all coaches, players, parents, spectators and other supporters and referees effective immediately. Abusive and obscene language, violent play/conduct, fighting and other behavior (including, but not limited to sarcasm, taunting, etc.) deemed detrimental to the game between the above-mentioned groups will not be tolerated. The ultimate responsibility for the actions of coaches, players and spectators resides with the member clubs.

It is the responsibility of ALL coaches/players/parents to maintain the highest standards of conduct for themselves, their players, and supporters in all matches. Abusive, confrontational, and obscene language, violent play/conduct, fighting, inciting, escalating and other behavior detrimental to individuals, the game and the sport will not be tolerated. A coach's/player's/parent's responsibility for referee support and spectator control includes the times prior to, during and after the game at the field and surrounding areas.

All persons responsible for a team and all the spectators shall always support the referee. Failure to do so will undermine the referee's authority and has the very real potential of creating a hostile environment for the players, the referee and all the other participants and spectators. Escalation to violence can easily result.

Therefore:

No one is to address the referee or make comments on or about a referee's call or non-call while present at any Hammonton Youth Soccer Association game.

Exceptions for Coaching Staff or player During Match:

1. Responding to a referee initiating communication.

Exceptions for Coaching Staff or player at Half Time or end of game:

2nd Infraction – Verbal Warning. Referee, at next stoppage of play, will ask the coach to warn offender that the next infraction will result in either removal of the offender or the referee will abandon the match.

3rd Infraction – The referee at the next stoppage of play, shall instruct the coach to direct the offender to leave the field. The referee will abandon the game if the offender does not leave the field immediately.

****The referee can request the League assign a monetary fine for behavior violations to spectators, coaches, and programs.**

Players have the right to appeal any decision to the HYSA Board of Directors. Appeals must be submitted to the Board in writing within 48 hours of being notified of the penalty. Any player/parent/guardian/spectator associated with their team that displays unacceptable behavior will be reported to corresponding Travel or Intramural Director immediately. Failure to do so would result in a penalty.

Any time that a Coach persists in any of these actions, he/she shall be assessed a Game Misconduct Penalty. The HYSA Board of Directors will evaluate the issue to determine what penalty is appropriate and convey their findings and decisions in writing to the coach/coaches. Coaches have the right to appeal any decision to the HYSA Board of Directors. Appeals must be submitted to the Board in writing within 48 hours of being notified of the penalty. An appeal is not available if facts are submitted by the referee in the match report-a referee match report is the official report of the game.
